Shout out to Coach Wheeler for taking the lead on the 7th grade Cultural apprenticeship!

Riddle me this:

There is an ancient invention still used in some parts of the world today that allows people to see…

What is it?

First teacher to answer this riddle correctly wins a free T—shirt! If you think you have the answer send it to: devinwhite@citizenschools.org

Weekly Snapshot

Math League— We are working on number sense concerning the concepts of real numbers, integers, fractions, whole numbers all of which that then involve explain positive and negative variations. Next week we will be working on ratios and percentages.

Apprenticeships— We welcome sponsors of the 7th grade (May 1st—4th) trip to Carlsbad to see Coach Wheeler any Wednesday this semester from 4:00pm—5:30pm; so that they can stay after school with the 7th graders to help them prepare for this very important cultural event! Feel free to contact Ms. Myranda Bridges by e-mail at myrandabridges@citizenschools.org with any questions, comments, or concerns.

College and Career Connections— We have begun the College Career Connections (C3) curriculum of this semester with a BANG! Apprentices have explored their interests, have tied them to careers and university degrees, and are now engaging in college and career fairs! Career fair Wednesday January 25th from 4:00pm—5:30pm; please join us!
